Subj: Supplemental Information 19 Paige Farm Rd DEP File # 002-1296

Date: January 31, 2022

Morning John,

Attached is a slightly revised site plan showing the location of the dead tree in the wetland at the 19 Paige Farm Road property. Both you and Mike Jewell, Commissioner, recommended that the dead tree (see Photo A) be cut as part of the NOI application as it posed a possible threat of eventually falling on the residence.

I've also included a photo of the location of the proposed deck (see Photo B) which is the main focus of the NOI application.

I hope these help the Commission in making their determination. Please call for any question.

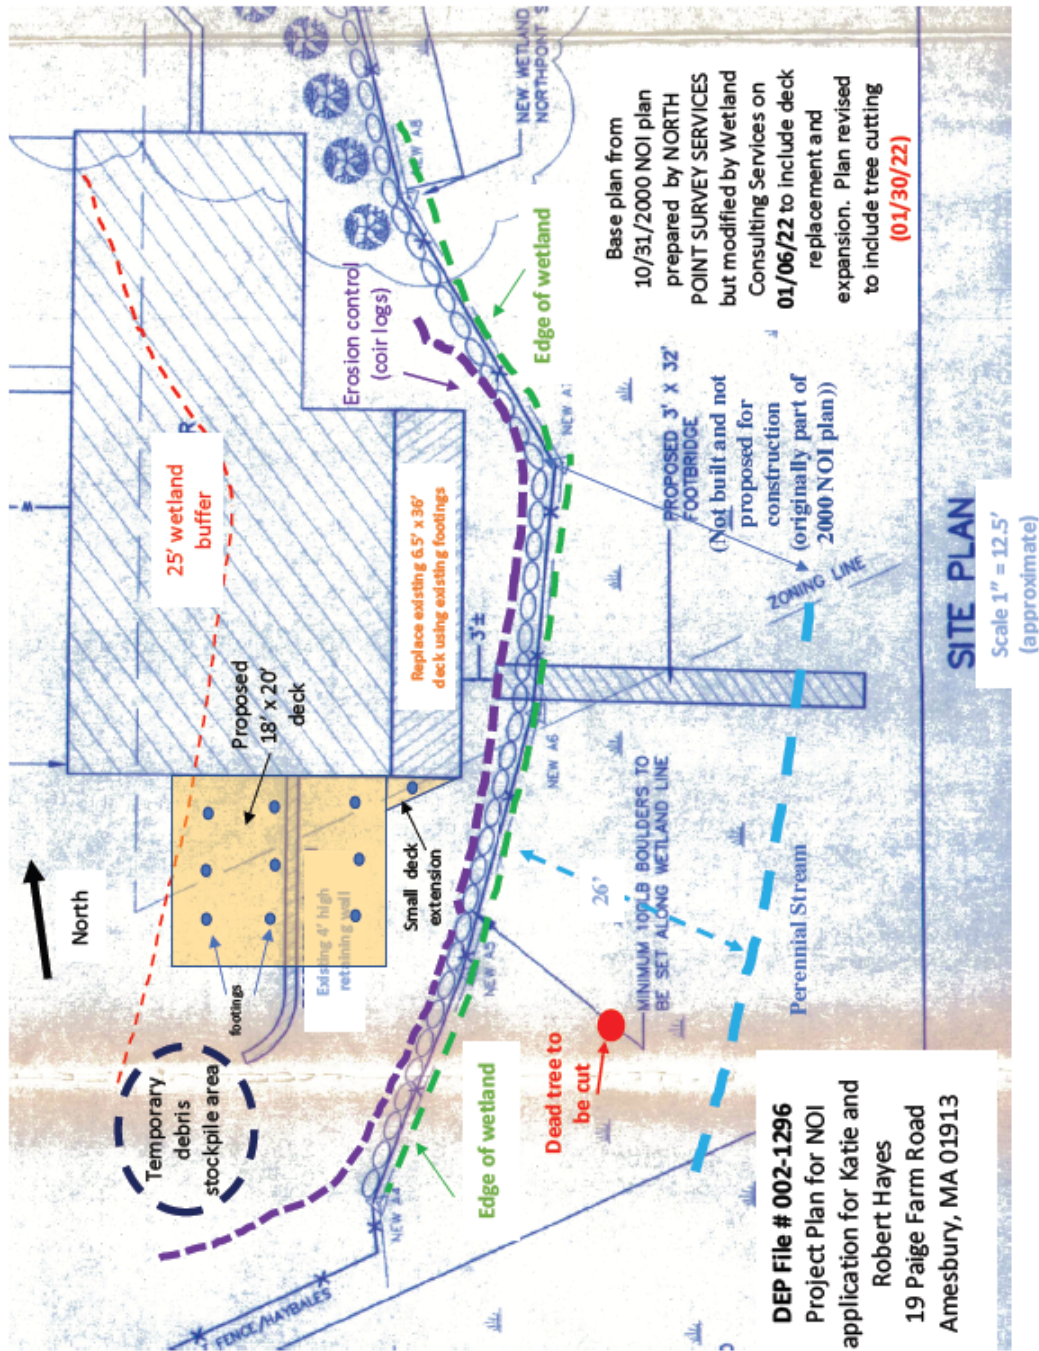

Photo A. Dead tree recommended that should be cut.

Photo B. View of the location for the proposed deck.
